

*I'm Tammy DiStefano! I'll be celebrating my 21st wedding anniversary at the end of the month. My husband Tony doesn't like Facebook and wants no part of it, so he is rarely mentioned or seen. I have one daughter Cristina who is a College student. Also, Sophia, my little girl. She's my 1 year old rescue fur baby.*

*How I got into twilight...my daughter received the book as a gift from one of my cousins, who told me that I must read. My daughter read it in record time and on to New Moon, I had to see what it was all about and from there we waited for the other books after!*

*Twilight means special bonds, friendships and total happiness. How I found NTN...after another group I belonged to disbanded and changed. I was looking for that camaraderie with a Twilight twist, I missed it.*

*NTN means sisterhood, an extended family of amazing women. My Board position is VP of NTN, Inc. My goals for NTN...the sky's the limit with this group and with Shawn at the helm. The goal is NTN's success in fundraising and awareness!*

*Peace, Love and Twilight !*
